LOCATION OF ACCIDENT 104th St & 82nd Ave

DESCRIPTION OF ACCIDENT OR LOSS I was traveling west on 104th St, as I have done for years now, to then onto 82nd Ave. As I got into the turning lane my car jumped violently. I didn't know what happened, but the next day my tire was leaking air. I got it replaced thinking that was it when I noticed my car shaking when I drive now. The man hole cover did a lot more damage than I realized so I took it to a mechanic that said my sub assembly needs to be replaced.
