BOARD OF SUPERVISORS**

RESOLUTION NO. _____

Subject: WI Dept of Health & Human Services-Kenosha County PreTrial Intensive Supervision Program IX Grant award for fiscal year 2015-2016.

Original <input checked="" type="checkbox"/>	Corrected <input type="checkbox"/>	2 nd Correction <input type="checkbox"/>	Resubmitted <input type="checkbox"/>
Date Submitted: March 15, 2016		Date Resubmitted	
Submitted By: Judiciary & Law Committee And Finance/Administration Comm.			
Fiscal Note Attached <input checked="" type="checkbox"/>		Legal Note Attached <input type="checkbox"/>	
Prepared By: Robert Hallisy, Capt of Admin.		Signature: <i>Robert Hallisy</i>	

WHEREAS, the Kenosha County Sheriff's Department has been awarded **\$75,000** by the WI Dept. of Health and Human Services (HHS) to support expenditures for the "Kenosha County Sheriff's Department DUI Intensive Supervision Program" (ISP) now in its 19th year, and

WHEREAS, the funding award period began July 1, 2015 and runs through June 30, 2016, and

WHEREAS, the total operating budget for the award period is \$157,553 funded by four sources:

- (1) State Dept of HHS grant - \$75,000
- (2) Client Fees expect to be collected by Wisconsin Community Services, Inc. - \$16,933
- (3) Sheriff's Dept. - In-kind match of \$18,620 (Office space in the Public Safety Building for WCS Inc. and Sheriff Dept oversight labor costs)
- (4) Sheriff's Department - hard match for the grant period-\$47,000; the hard match portion of this project had been approved in the 2015 and 2016 adopted budgets, and

WHEREAS, the 2015-2016 Intensive Supervision Program (ISP) will continue to be facilitated by the Wisconsin Community Services, Inc. (WCS) out of Milwaukee, WI for which a contract for services had been reviewed and approved by county Administration, and

WHEREAS, the program facilitates repeat DWI offenders to be screened by WCS, Inc. staff to receive intensive counseling treatment and supervision in lieu of pretrial incarceration in an effort to effectively deter repeat offenses and reduce jail time at sentencing, and

NOW, THEREFORE BE IT RESOLVED, that the Kenosha County Board of Supervisors accept the awards from WI HHS **totalling \$75,000** and approve the Revenue and Expenditure line item modifications to the **Sheriff's 2015 budget** as per the attached budget modification form, which are incorporated herein by reference.

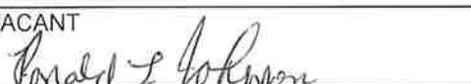

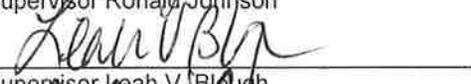

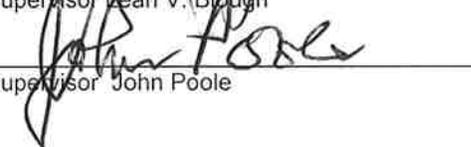

BE IT FURTHER RESOLVED, that any unobligated WI HHS ISP grant funds remaining at year end 2015 be hereby authorized for carryover to 2016 budget year until such time as the grant funds are expended in accord with the WI Dept of Health and Human Services ISP grant requirements, and that the Administration be authorized to modify the grant appropriations among various budget and expenditure units within the Sheriff's Department in accordance with all federal and state regulations of the program and in compliance with generally accepted accounting principles.

Subject: RE: Status of HHS - IPS grant award - Kenosha County Sheriff's Department

Hi Nancy,

DHS intends to award Kenosha County \$75,000 for the Intensive Supervision Program for the period July 1, 2015, through June 30, 2016. There is a required 20% match for this grant. Let me know if you have any further questions.

Subject: Status of HHS - IPS grant award - Kenosha County Sheriff's Department

LeeAnn,
Would you be able to provide me with any supporting documentation on the status of our grant award for the Intensive Supervision Program. Maybe verification of the 'intent' to award the grant and the amount.

Thank you.

September 3, 2015

David Beth
Kenosha County Sheriff
1000 55th St
Kenosha, WI 53140

Dear Mr. Beth:

The 2015-2017 State Biennial Budget transferred the Intensive Supervision Program (ISP) from the Wisconsin Department of Transportation (DOT) to the Wisconsin Department of Health Services (DHS). The budget, however, did not transfer any funds to support this program.

DHS has identified funds to continue funding the Intensive Supervision Program for one (1) year. Funding will end on June 30, 2016. The funding for fiscal year 2016 (July 1, 2015 through June 30, 2016) is being offered only to those ISP programs funded by DOT grants. DHS does not have continuing funding to support ISP, as a result fiscal year 2016 will be the final year of DHS financial support for this service.

To apply for funds for State Fiscal Year 2016 (July 1, 2015 through June 30, 2016), please complete an application and work plan along with a budget. If your project uses a subcontractor, please submit the subcontractor's budget as well. Forms are available at the following links:

Application and Work Plan: <http://www.dhs.wisconsin.gov/forms1/F2/f21276.docx>Budget: <https://www.dhs.wisconsin.gov/forms/f01601b.xls>

Please return completed materials electronically by Friday, October 2, 2015, to LeeAnn Cooper at leeann.cooper@wi.gov. If you have any questions, please contact LeeAnn at 608-266-2453.

Sincerely,

A handwritten signature in black ink that reads "Patrick Cork".

Patrick Cork
Administrator

DESCRIPTION OF DELIVERABLES / SERVICES TO BE PROVIDED
Abstract

Provide an overview of the services to be provided and the outcomes or products that will be achieved. (Please limit response to one page)

The Kenosha ISP works to achieve several goals and objectives while supervising repeat OWI offenders in the pretrial stage. Providing intensive monitoring and access to treatment pretrial is based upon the theory that early interventions to meet offenders' needs significantly reduces the likelihood of recidivism. The need for supervision in these cases arises from the risks these individuals pose to the community in the form of continuing the pattern of drinking and driving, the likelihood that a significant number of OWI defendants have problems with alcohol or other drugs that requires treatment intervention, and the very high probability that most OWI defendants will plead or be found guilty. The ISP has **four main goals to achieve its outcomes**: To refer ISP participants to alcohol and other drug treatment programming as soon as possible pretrial; To reduce OWI recidivism of ISP participants compared to multiple offenders not in an ISP; To ensure ISP Participants attend all court appearances; To ensure ISP participants do not have any new OWI arrests during supervision (excluding bail jumping), which rises to the level of probable cause. The program works to achieve **the following outcomes based on these goals**: 75% of ISP participants will enroll in treatment within 45 days of their initial appearance; To reduce recidivism of ISP participants (no more than 4% of participants rearrested during supervision); 95% of all participants will attend all court hearings, and 95% of all ISP participants will not have any new OWI arrests during supervision (excluding bail jumping), which rises to the level of probable cause. The ISP has **seven primary objectives** during the period of pretrial supervision. **Objective #1**: To admit *all* repeat OWI offenders charged in Kenosha County Circuit Court for centralized supervision at the WCS office. **Objective #2**: To provide *all* repeat OWI offenders with structured program participant monitoring pretrial. **Objective #3**: AODA evaluations, including preliminary breath tests to detect alcohol will be completed and reviewed for *all* ISP participants. **Objective #4**: To inform *all* ISP participants of the Driver Safety Plan (DSP) and the opportunity to enroll in treatment prior to conviction. **Objective #5**: To monitor and report on all participants ordered to attend the Victim Impact Panel as a part of their Driver Safety Plan. **Objective #6**: To ensure *all* (discharged) ISP participants are compliant with supervision and treatment at the time of adjudication. **Objective #7**: To generate and distribute routine reporting by the 2nd Friday of every month to the funding sources and/or key stakeholders for review.

While this proposal is tailored to the jurisdiction of Kenosha County, the Kenosha ISP works to incorporate the **seven key policy requirements** within its' service delivery. **Centralized supervision**: The majority of the defendants charged with OWI make their Initial Appearance in court each Wednesday and Thursday. Offenders charged with a second or greater OWI are instructed by the Court to report to the WCS office either by 5:00pm the same day or by 11:00am the next business day. Caseworkers review the jail booking list and the Intake Court Calendar daily. This allows for identification of those defendants who were ordered to report to WCS. This review also allows prompt identification of participants who have re-offended. Defendants who are ordered to report to WCS but who fail to do so are reported to the appropriate Court as non-compliant. **Structured program participant monitoring**: The Kenosha ISP follows specific methods of service delivery to effectively and responsibly monitor all ISP participants throughout their period of supervision. All program participants begin their involvement in the ISP with a formal intake/screening process. At this time they are interviewed to assess their level of risk and needs, oriented to the program, and sign off on program rules/conditions. All program participants are required to pay a program fee based on the state statute 85.53, and all indigent defendants are assessed a program fee of \$50.00. ISP participants must report to WCS for regular, weekly office appointments – initially at least two times per week. Caseworkers are required to submit progress reports on all participants at each court appearance. These reports detail participants' compliance with program expectations and progress with treatment. Throughout participants' involvement in the program, caseworkers must monitor any non-compliance, including re-arrests and report to the Court in a timely manner. The Court may use the information within the reports to take immediate action (in cases of non-compliance), as well as for consideration at sentencing (compliant or non-compliant). ISP program rules are clearly defined and consistently reinforced throughout defendants' period of supervision at WCS, they include: consistent attendance at weekly supervision appointments, paying the program fee, no positive alcohol or drug tests, and enrolling/follow through in treatment. The program encourages defendants to undergo an AODA assessment, and to follow through with the prescribed level of treatment, if any. Pretrial defendants not yet convicted are not forced to do so.

The Kenosha ISP develops and coordinates an array of interventions for the repeat offender while s/he is under supervision, including the coordination of an appropriate referral to a designated treatment provider for a clinical alcohol/drug assessment, inpatient and other residential treatment, or the provision of individual or group treatment on an outpatient basis. **Uniform data collection:** The Kenosha ISP follows strict policies regarding uniform data collection on all ISP program participants. The data assists the Kenosha ISP in measuring progress towards program goals and objectives. The program collects and reports monthly and quarterly to DHS and Kenosha County on the following data: Admissions to supervision; discharges from supervision; types of discharges; BAC at admission; participant demographics (age, gender, ethnicity); OWI offense at time of admission; number admitted to treatment; treatment status at time of adjudication; and recidivism during supervision. **Monitoring follow through with treatment:** All ISP participants are required to sign a release of information to disclose and receive information from the defendant's designated treatment provider. This enables caseworkers to effectively monitor follow through with treatment, as well as share critical information with the treatment providers to ensure participants' needs are being adequately addressed. The Kenosha ISP works to assess and review participants' treatment needs throughout their supervision to ensure defendants are receiving the proper level of treatment, with the ultimate goal of reducing drunken driving recidivism. **Random preliminary breath tests and drug screening, as ordered by the Court:** All ISP participants are informed of the rules of the program during the initial intake process, including the requirement to submit to regular alcohol and random drug testing throughout their pretrial supervision. Defendants must comply with requests to screen them at any and all supervision appointments, ensuring their compliance with their conditions of bail and that they are responding appropriately to treatment interventions. **Facilitate the completion of an assessment by ISP participants for the Driver Safety Plan Requirement:** All defendants are informed that, if convicted, an AODA Driver Safety Plan assessment (DSP) will be ordered, so they are encouraged to complete it prior to adjudication. The Kenosha ISP provides all participants with information on the local assessment agency in the county in which they reside to assist in coordinating the DSP. All ISP participants are encouraged to enroll in some type of AODA treatment or education program during supervision and are informed that completing an assessment will ensure a referral to the proper treatment level during the pretrial phase. **Maintaining formal collaborative efforts, involving key stakeholders:** The Kenosha ISP works closely with key stakeholders to enhance and improve the services to repeat drunk drivers. The collaborative effort assists to coordinate and monitor ISP program goals and objectives, maintains the buy-in and financial support of Kenosha County, ensures proper review of the program's budget, develops new policies, and addresses any key issues or concerns in relationship to the successful operation of the Kenosha ISP Program. The program receives tremendous support from the judicial system and alcohol treatment community. The Courts review non-compliance reports submitted by the program and may review the bail situation if non-compliance continues. WCS has a collaborative working relationship with the Hope Council for the Driver Safety Plan assessments, local treatment providers, and Kenosha County. WCS continues efforts with key stakeholders to form an IPID Committee in 2009. The specific objective of IPID is the complete integration of services involving the educational process, the interview process, and the evaluation, treatment, driver licensing and follow-up process, so that they complement each other and enhance the total effort toward lasting behavior change. In 2012, the Assistant Program Director joined a steering committee led by the HOPE Council for treatment and other providers intersecting with the Intoxicated Driver. The committee has oversight over the use of grant funds received by Kenosha County to improve intoxicated driver services, including assessment and access to treatment.

EXHIBIT 1.1
DESCRIPTION OF DELIVERABLES / SERVICES TO BE PROVIDED
Demonstration of Need / Project Purpose

Provide summary data or information identifying the needs or purpose of this project in your region and justify how this project will address the needs/purpose identified.

Drunk driving continues to be a very serious issue throughout the state of Wisconsin, and across the nation. According to the Criminal Justice Information Services Division, there were an estimated 1,412,223 drivers operating while impaired on roadways across the nation in 2010. In Wisconsin, there were 38,215 drunk driving arrests in 2009 and 541 were under the age of 18 years old. In July of 2010, the state of Wisconsin imposed new legislation for drunk driving, which included increased sanctions, as well as changing specific offenses from civil to criminal (i.e. OWI first with a minor in the vehicle), and a fourth OWI offense became a felony charge if committed within five years of the previous OWI arrest. In 2010, according to the Criminal Justice Information Services Division, there were 29,549 drunk driving arrests in Wisconsin, and 381 were under the age of 18 years old. The Wisconsin Department of Transportation Crash Facts cited that 601 people were killed on Wisconsin highways alone in 2012, and 37% of these died in alcohol-related crashes. Further, of the 372 drivers who were killed and tested for alcohol concentration, 125 or 34% had an alcohol concentration of .08 or greater.

Alcohol related crashes cost the United States approximately \$51 billion each year (Blincoe et al. 2002), and every 51 minutes someone is killed in an alcohol-related motor vehicle crash (NHTSA 2010). In 2010, 10,228 people died in alcohol-related motor vehicle crashes, accounting for 34% of all traffic-related deaths in the United States (NHTSA 2010). Additionally, nearly 1.4 million drivers were arrested for driving under the influence of alcohol or narcotics in 2005 (Department of Justice 2005). In 2009, 70% of drivers involved in a fatal drunk driving crash had a BAC of .15 or higher, and the median BAC level remains twice the legal limit at .17. Further, 44% of drivers involved in a fatal motor vehicle crash had a prior OWI conviction and a BAC level of .15 or higher (Century Council 2009). Nationwide in 2005, alcohol was present in 24% of the drivers involved in fatal crashes (BAC .01-.07, 4 percent; BAC .08 or greater, 20 percent). Drugs other than alcohol (i.e., marijuana and cocaine) are involved in about 18% of motor vehicle driver deaths. These other drugs are generally used in combination with alcohol (Jones et al. 2003). In 2007, NHTSA reported that 31.6% of the 41,059 traffic fatalities nationwide occurred in crashes in which at least one driver or non-occupant had a BAC of .08 or greater.

The seriousness of the problem prompted the Milwaukee Journal Sentinel to conduct an in-depth investigation into the issue, which was published in October of 2008. The data found that an alarming 300 people die each year in drunk driving crashes in the state of Wisconsin. The Journal's investigation of this issue found that *Wisconsin drivers involved in fatal crashes were significantly more likely to be drunk when compared to drivers across the United States*. The Journal series further noted that every year Wisconsin taxpayers pay \$2.7 billion in alcohol-related police and court costs; incarceration; crash investigation and clean up; lost productivity; academic failures; and premature deaths, according to the Center for Science in the Public Interest. The Journal found that an alarming 41.4% of fatal accidents in the state of Wisconsin involved an impaired driver with a blood alcohol content of .08 or higher in 2007. In 2007, approximately 10,821 drivers were convicted of a repeat OWI offense in Wisconsin, according to state records.

In 2013, the Kenosha County District Attorney's Office filed a total of 219 cases on individuals charged with a repeat drunk driving offense, (of which not all were referred to the program for services – i.e. remain in custody, out of county residents or other exclusionary factors). Of this total, 125 individuals were charged with their second OWI offense, 61 were charged with their third OWI offense, 22 were charged with their fourth OWI offense, and 11 were charged with their fifth or subsequent OWI offense. According to the Wisconsin Department of Transportation Crash Facts, in 2012 there were 208 alcohol-related crashes in Kenosha County, resulting in 5 persons killed and 148 persons injured. The conviction rate for repeat drunk driving defendants in Kenosha County is approximately 94%.

The Kenosha County Intoxicated Driver Intervention program began in 1998 (also referred to as Intensive Supervision Program-ISP). The Kenosha County Sheriff is the grant recipient and contracts the services to Wisconsin Community Services, Inc. (WCS). Most if not all repeat OWI offenders are stipulated directly to the Intoxicated Driver Program.

Drivers operating under the influence pose a serious threat of injury or death to all who use public roadways. It affects people and families of all races, genders, and socio-economic strata. Drunk driving is a national, state, and local problem.

There are solutions to this problem. Studies show that pretrial supervision programs that include intensive supervision, AODA assessment, and AODA treatment combined with drug testing are an effective means to help people stop driving under the influence, gain insight into their chemical use, and make positive lifestyle changes to significantly reduce the probability that they will be charged and convicted of another OWI.

The benefits of investing in Intensive Supervision Programs to effectively deal with the issue of drunk driving are many. Enforcement and punishment are not enough on their own, and prove to be extremely costly. A presentation by Capstone to the Wisconsin Joint Legislative Council in May of 2007, titled Justice Alternative for Wisconsin: Reducing the Cost of the Criminal Justice System, found that OWI and drug related offenses accounted for 60% of the prison growth from 2001 to 2006, and that 83% of prisoners have an AODA treatment need. Further, that the approximate cost for one inmate in a minimum security prison in 2006 was \$29,751 per year. Intensive Supervision Programs for repeat drunk driving offenders work to change behavior long-term, and prove to be extremely cost effective.

Repeat drunk driving offenders may have unmet needs that, left unattended, are likely to result in non-compliance and lead to further involvement in the criminal justice system. By conducting a thorough risk assessment, specific needs and circumstances are identified and addressed in a service plan. When individuals are under supervision, they are more likely to accept and participate in available programming. With access to services such as AODA treatment, employment and training, and educational opportunities, people are more likely to begin the process of change and to learn new behaviors that enable them to address their alcohol issues.

The Kenosha ISP proves to be effective in supervising repeat drunk drivers, and getting them enrolled in programming and/or treatment as soon as possible pretrial to address their issues with chemical use, significantly reduce the recidivism rate during supervision, and to decrease the probability of program participants being charged and convicted of another OWI in the future. **In 2014, the program served a total of 339 repeat OWI offenders pretrial (this total includes carry over from 2013 and new admissions), and 85% of participants discharged successfully enrolled in treatment during their involvement with the program. Further, less than 1% of participants were re-arrested for an OWI offense during supervision, and 82% of participants were discharged from the program as compliant. The Kenosha ISP saved an estimated 12,818 jail days in 2014. WCS estimates that the three WCS Intensive Supervision Programs which track jail days saved by participants at sentencing, including Kenosha, Sheboygan and Waukesha, saved a combined total of 29,255 jail days in 2014.**

Agency Name: Kenosha County Sheriff's Department and Wisconsin Community Services

Project Title: 2015-2016 ISP

Project Period: From July 1, 2015 Through June 30, 2016

**EXHIBIT 1.2.1
 DESCRIPTION OF DELIVERABLES / SERVICES TO BE PROVIDED
 Work Plan**

State the project goal(s) below (one goal per page). In the table that follows each goal, identify the objective, all related activities needed to achieve the goal, the timeline when each of the related activities is projected to be met, how success will be measured to determine whether you meet your goal and objective(s) and the person responsible for the activity.

Goal 1: The program will refer ISP participants to alcohol and other drug treatment programming as soon as possible pretrial.

Objective 1	Related Activities	Timelines	How Success will be Determined
1. 75% of ISP participants will enroll in treatment within 45 days of their initial appearance	1. Caseworkers will refer all ISP participants to treatment for AODA problems 2. Caseworkers will coordinate admissions to treatment for education, outpatient, and/or inpatient care for all ISP participants	1. Continuing through June 30, 2016. 2. Continuing through June 30, 2016.	1. All results are tracked in the database on all referrals to treatment and reported to the funding sources. 2. All results are tracked in the database and reported to the funding sources

Person Responsible: Sara Carpenter

Objective 2	Related Activities	Timelines	How Success will be Determined
1. 100% participants will be informed of the Driver's Safety Plan and the opportunity to enroll prior to conviction within 30 days from enrollment in the program.	1. Caseworkers will distribute information regarding the Drivers Safety Plan, (DSP) that will be ordered at the time of convictions. 2. Interested defendants will be referred to the HOPE Council in Kenosha for an assessment, and all attempts will be made to ensure that treatment referrals made during the pretrial stage will meet or exceed the standards for the Driver Safety Plan required upon conviction.	1. Continuing through June 30, 2016. 2. Continuing through June 30, 2016.	1. All results on referrals to the DSP are tracked in the program database. 2. All results on follow through with assessments, and types of treatment enrollment are tracked in the program database and reported to the funding sources.

Person Responsible: Sara Carpenter

Project Title: 2015-2016 ISP

Project Period: From July 1, 2015 Through June 30, 2016

**EXHIBIT 1.2.2
 DESCRIPTION OF DELIVERABLES / SERVICES TO BE PROVIDED
 Work Plan**

State the project goal(s) below (one goal per page). In the table that follows each goal, identify the objective, all related activities needed to achieve the goal, the timeline when each of the related activities is projected to be met, how you will measure whether you are successful in meeting your goal and objective(s) and the person responsible for the activity.

Goal 2: To reduce OWI recidivism of ISP participants compared to individuals not enrolled in an ISP, and the recidivism rate during supervision will be reduced or eliminated.

Objective 1	Related Activities	Timelines	How Success will be Determined
1. The recidivism rate during supervision will be no more than 4% (average length of stay is 6 months in the program).	1. Log all subsequent OWI arrests for defendants who re-offend while under supervision. 2. Refer all participants to the Victim Impact Panel, and verify attendance at the panels. 3. Conduct random preliminary breath alcohol and drug testing to ensure absolute sobriety and report all positive results to the treatment provider and the Courts.	1. Continuing through June 30, 2016. 2. Continuing through June 30, 2016. 3. Continuing through June 30, 2016.	1. All results are tracked in the databases and reported to the funding sources 2. All attendance is logged in the program database. 3. All results are tracked in the program database and reported to treatment providers and the Courts.

Person Responsible: Sara Carpenter

Objective 2	Related Activities	Timelines	How Success will be Determined
1. The recidivism rate of discharged offenders re-offending in Kenosha County will be no more than 10%	1. Track all subsequent Kenosha County OWI arrests for all defendants discharged from the program. 2.	1. Continuing through June 30, 2016. 2.	1. The results are tracked in the database and reported to the funding sources. 2.

Project Title: 2015-2016 ISP

Project Period: From July 1, 2015 Through June 30, 2016

**EXHIBIT 1.2.3
 DESCRIPTION OF DELIVERABLES / SERVICES TO BE PROVIDED
 Work Plan**

State the project goal(s) below (one goal per page). In the table that follows each goal, identify the objective, all related activities needed to achieve the goal, the timeline when each of the related activities is projected to be met, how you will measure whether you are successful in meeting your goal and objective(s) and the person responsible for the activity.

Goal 3: All eligible participants will be supervised and appear for all court appearances.

Objective 1	Related Activities	Timelines	How Success will be Determined
1. 90% of all ISP participants will attend all scheduled court appearances (average length of stay is 6 months).	1. Caseworkers will monitor all ISP participants' next court dates, and provide reminders at supervision appointments.	1. Continuing through June 30, 2016.	1. All Failure to Appears are tracked in the database and reported to the funding source.
	2. Caseworkers also call ISP participants to provide reminder notices the week of court.	2. Continuing through June 30, 2016.	2. All calls are tracked in the program database.

Person Responsible: Sara Carpenter

Objective 2	Related Activities	Timelines	How Success will be Determined
1. Admit 175 second or subsequent OWI offenders charged in Kenosha County Circuit Court within 24 hours of their initial court appearance.	1. All second or greater OWI offenders residing in Kenosha or surrounding counties will be court ordered for participation.	1. Continuing through June 30, 2016.	1. WCS tracks the outcome in the database and provides all results to the funding sources.
	2. Defendants will be given 24 hours after the Initial Appearance to contact WCS. Caseworkers send a warning letter to those who fail to do so, and notifies the Court.	2. Continuing through June 30, 2016.	2. WCS documents and saves all letters to the Courts.

Person Responsible: Sara Carpenter

Objective 3	Related Activities	Timelines	How Success will be Determined
1. 175 persons charged with a second or subsequent OWI offense will receive pretrial supervision through the Program (average length of stay is 6 months).	1. Conduct a risk evaluation by : a) interviewing defendants as soon as possible after charging to elicit background on their employment, use of alcohol and drugs, treatment history, and family and verify the information; b) gather information on the defendant's past driving record and prior contacts with the criminal justice system;	1. Continuing through June 30, 2016.	1. All results are tracked in the database and reported to the funding sources.

2. Develop a pretrial supervision plan based upon the background and evaluation information.

2. Continuing through June 30, 2016.

2. All results are tracked in the database.

Person Responsible: Sara Carpenter

Objective 4	Related Activities	Timelines	How Success will be Determined

 Work Plan**

State the project goal(s) below (one goal per page). In the table that follows each goal, identify the objective, all related activities needed to achieve the goal, the timeline when each of the related activities is projected to be met, how you will measure whether you are successful in meeting your goal and objective(s) and the person responsible for the activity.

Goal 4: ISP Participants will not have any new arrests during supervision.

Objective 1	Related Activities	Timelines	How Success will be Determined
1. 95% of all ISP participants will not have any new OWI arrests during supervision (excluding bail jumping), which rises to the level of probable cause. Average length of stay is 6 months.	1. Caseworkers will encourage and document any self-reporting on re-arrests from all ISP participants during supervision appointments. 2. Caseworkers will check CCAP prior to all ISP participants' next court dates	1. Continuing through June 30, 2016. 2. Continuing through June 30, 2016.	1. All results are tracked in the program database and reported to the Court, treatment providers and the funding sources. 2. All results are tracked in the program database and reported to all above parties.

Person Responsible: Sara Carpenter

Objective 2	Related Activities	Timelines	How Success will be Determined
1. 85% of all participants will be compliant with supervision and treatment at the time of adjudication (average length of stay is 6 months).	1. Caseworkers will verify ISP participants' length of stay and treatment outcome. 2. Caseworkers will track and record all compliance and noncompliance with supervision and treatment requirements.	1. Continuing through June 30, 2016. 2. Continuing through June 30, 2016.	1. All results are tracked in the program database and reported to the funding sources. 2. All results are tracked in the program database and reported to the funding sources.

EXHIBIT 1.3 DESCRIPTION OF DELIVERABLES / SERVICES TO BE PROVIDED Coordination

Describe any collaborative arrangements that are or will be developed in order to achieve the goals of this project. Provide the names of collaborative organizations and/or individuals and what contribution or commitment has been made between this project and collaborators.

The Kenosha ISP works closely with key stakeholders to maintain buy-in, as well as to enhance and improve the services to repeat drunk drivers. The Kenosha ISP works to consistently communicate any program concerns, as well as to be well-educated and informed on current issues surrounding the issue of drunk driving. The program collaborates with the Sheriff's Department, Kenosha County Judges, the District Attorney's office, and defense attorneys on a regular basis in regards to funding, supervision practices, the referral process, concerns with specific cases, and in regards to specific data for this population.

WCS worked in collaboration with key stakeholders in the initial implementation of the Kenosha ISP. The Kenosha ISP collaborates on a regular basis with the HOPE Council and local treatment providers to ensure ISP participants receive AODA assessments, enroll in treatment as soon as possible during the pretrial phase, and attend the drunk driving Victim Impact Panel coordinated and run by the HOPE Council. The specific objective of IPID is the complete integration of services involving the educational process, the interview process, and the evaluation, treatment, driver licensing and follow-up process, so that they complement each other and enhance the total effort toward lasting behavior change. In 2012, the Assistant Program Director joined a steering committee led by the HOPE Council for treatment and other providers intersecting with the Intoxicated Driver. The committee has oversight over the use of grant funds received by Kenosha County to improve intoxicated driver services, including assessment and access to treatment. The committee has oversight over the use of grant funds received by Kenosha County to improve intoxicated driver services, including assessment and access to treatment.

WCS has participated in the DOT's statewide ISP meetings each year, and has **actively participated in special work groups** to address key issues among the programs throughout the state, such as the development of uniform reporting, an OWI risk tool, and core program components. The DOT and the ISP agencies have made progress with these issues as a result of the ongoing collaboration. The DOT and the agencies agreed to specific, defined data for all Intensive Supervision Programs to report on each month to the DOT, and established core program components each program must implement within its operations.

In 2008, WCS worked in collaboration with the Racine County ISP, as well as the Waukesha County District Attorney and a Racine County Judge, to present on the Wisconsin Department of Transportation Intensive Supervision Programs at the National Association of Pretrial Service Agencies' Conference. The national presentation focused on the development of the programs statewide, the specific Milwaukee ISP model, and the benefits of the program to the criminal justice system, the community, and to the participants of the program. The program Administrator attends the annual NAPSA conferences, and is a Certified Pretrial Services Professional. The collaborative effort assists to coordinate and monitor ISP program goals and objectives, maintains the buy-in and financial support of Kenosha County, ensures proper review of the program's budget, develops new policies, and addresses any key issues or concerns in relationship to the successful operation of the Kenosha ISP Program. The program receives tremendous support from the judicial system and alcohol treatment community. The Courts review non-compliance reports submitted by the program and may review the bail situation if non-compliance continues.

Kenosha County
Administrative Proposal Form

1. Proposal Overview

Division: Law Enforcement Department: SHERIFF

Proposal Summary (attach explanation and required documents):

Resolution to accept a \$75,000 grant from WI Department of Health and Human Services, to help fund our repeat drunk driving arrest intensive supervision program.

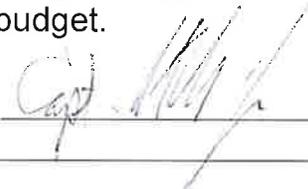

The state awarded \$75,000 for the continuing Sheriff's Dept. Intensive Supervision Program (ISP) program that began July 1, 2015 and runs through June 30, 2016.

This funding, along with the Sheriff's Department in-kind and hard match as well as client fees collected from participants affords the \$157,553 budget plan.

Wisconsin Community Services, Inc. will administer the project.

This is the 19th year of funding support for this Sheriff's Intensive Suprv Program .

This resolution packet includes the grant application document that describes the program goals, work plan and proposed budget.

Fiscal Note Attached: X		Legal Note Attached <input type="checkbox"/>	
Prepared By: Robert Hallisy, Captain of Administrative Services		Signature: 	

WHEREAS, the US Department of Justice, Office of Community Oriented Policing Services Anti-Heroin Task Force Program has offered funding to the WI Department of Justice (WI DOJ), Division of Criminal Investigation, for distribution to local Drug Task Force teams for reimbursement for overtime expenses associated with investigations for trafficking opiates and heroin, and

WHEREAS, the WI DOJ has awarded Racine County Sheriff's Department \$75,000 which will allocate these funds among the five southeast Wisconsin counties; Kenosha County Sheriff's Department is allocated up to \$15,000 for the Kenosha Drug Operations Group Task Force, and

WHEREAS, the funds will provide reimbursement for the cost of overtime hours worked for locating and investigating illicit activities involving heroin/opiate trafficking/distribution and possession, and

WHEREAS, the KDOG Task Force will submit reimbursement claims to the RASO and reimbursement is expected quarterly; statistics on the program will be recorded directly by each Task Force using the ACISS system, and

WHEREAS, the grant funding period begins January 1, 2016 through December 31, 2016.

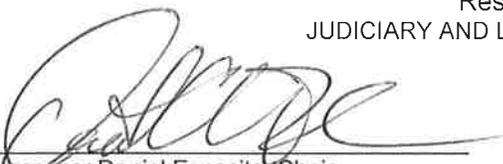

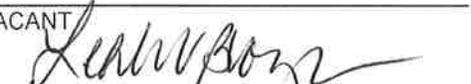

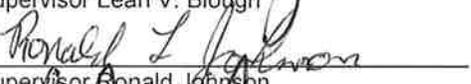

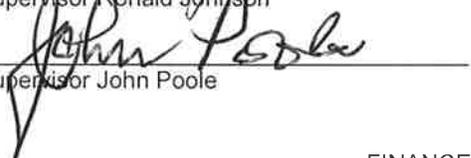

NOW, THEREFORE BE IT RESOLVED, that the Kenosha County Board of Supervisors accept the 2016 adjustments of \$15,000 to both Revenue and Expenditure budgets for the Sheriff's Department as detailed in the attached budget modification form, which is incorporated herein by reference.

Note: This resolution requires NO additional funds from the general fund. It increases revenues by \$15,000 and increases expenditures by \$15,000.

COPS
Community Oriented Policing Services
U.S. Department of Justice

**MEMORANDUM OF UNDERSTANDING
Anti-Heroin Task Force Program Grant**

Through the COPS Anti-Heroin Task Force Program Grant, the Wisconsin Department of Justice, Division of Criminal Investigation (DCI) will provide reimbursement to each participating County/Task Force/Agency for overtime expenses associated with the development and investigation of narcotics cases that target the illicit trafficking of opiates and heroin. As a condition of receiving funds and other benefits under this program, the undersigned hereby agrees:

1. To appoint a Heroin Grant Agency Coordinator and Alternate, who will be assigned to administer the Heroin Grant program within the jurisdiction accepting the funds;
2. To compile and report information as required by the Heroin Grant program on a monthly basis;
 - a. To utilize ACISS as the investigative case management system if possible; if ACISS is unavailable, to provide copies of case investigative reports for heroin and opiate related investigations; and, through this reporting, the number of Cases Opened, Search Warrants Obtained, and Heroin/Opiate Arrests generated, in addition to other statistics, will be provided;
 - b. To provide related investigative telephone communication records from telephone downloads, call detail records, pen registers/trap and traces, or other records from service providers (Facebook, e-mail, etc) to the WSIC for entry into the Penlink database;
3. To comply with the guidelines of the COPS Anti-Heroin Task Force Program as prescribed and outlined in the 2015 COPS Office Anti-Heroin Task Force Program Grant Owner's Manual;
4. To meet the established reporting and overtime reimbursement request deadlines;
5. To use Heroin Grant funding for personnel overtime expenses associated with an investigation focused on the illicit trafficking of opiates, heroin or both.
 - a. The money is designated ONLY for reimbursement of overtime expenses related to these kinds of narcotics investigations, and must be tracked separately from any existing federal or state grand funded overtime or additional local agency funding. Overtime Reimbursement Forms must be submitted to HeroinGrant@doj.state.wi.us no later than 15 days after the end of the month during which the expense was incurred.
 - b. The total overtime payments for an individual officer for a 12-month period (the Federal fiscal year is 10/01 - 9/30), including ALL federal sources (i.e. OCDETF, HIDTA, Byrne JAG, CEASE, COPS Heroin Grant) are not to exceed 25% of the current Federal salary rate in effect at the time the overtime was performed. This amount is \$17,580 as of 01/04/2016.
6. Your agency has been allotted \$ 75,000 per year for two years; second year allocations may be revised at the discretion of the Wisconsin Department of Justice.

Getting Started

Congratulations on receiving a grant from the U.S. Department of Justice (DOJ), Office of Community Oriented Policing Services (COPS Office). The 2015 COPS Office Anti-Heroin Task Force Program (AHTF) is designed to advance public safety by providing funds to state law enforcement agencies with high rates of primary treatment admissions for heroin and other opioids in order to investigate illicit activities related to the distribution of heroin or unlawful distribution of prescriptive opioids, or unlawful heroin and prescription opioid traffickers through statewide collaboration.

AHTF funding must be used for investigative purposes to locate or investigate illicit activities, including activities related to the distribution of heroin or unlawful distribution of prescriptive opioids, or unlawful diversion and distribution of prescriptive opioids.

The allowable uses of your agency's AHTF grant are specified on the AHTF Financial Clearance Memorandum (FCM). If your agency's local fiscal conditions have changed since submitting the FY 2015 AHTF application and your agency wishes to modify its AHTF grant to reprogram awarded funding into a different hiring funding category, please refer to grant condition #6 on page 10 of this manual for detailed information on requesting a post-award grant modification.

This AHTF Grant Owner's Manual will assist your agency with the administrative and financial matters associated with your grant. It was developed by the COPS Office to ensure that all AHTF grantees clearly understand and meet the requirements of their grant. Please review this manual carefully, because a failure to follow grant requirements can have serious ramifications. Please do not hesitate to call the COPS Office Response Center at 800-421-6770 if you need assistance with the implementation of your grant.

Thank you for providing us with the opportunity to work in partnership with your community.

I. Grant Acceptance, Terms, and Conditions

To officially accept and begin your COPS Office Anti-Heroin Task Force program grant, your agency must access www.cops.usdoj.gov and select the "Account Access" link in the upper right corner to log in, review, and electronically sign the award document (including the grant terms and conditions) and, if applicable, the special award conditions or high risk conditions, within 90 days of the date shown on the award congratulatory letter.

Your agency will not be able to draw down grant funds until the COPS Office receives your signed award document. For more information on drawing down grant funds, please see section III, "Accessing Grant Funds," on page 29 of this document.

The award document - STATE of WI DOJ

The award document is the document indicating your official grant funding amount, the grant number, the grant conditions, and the award start and end dates.

The award document is pre-printed with your agency's law enforcement and government executives' names. If this information is incorrect or has changed, please update your agency contacts online at www.cops.usdoj.gov through the "Account Access" link. If the law enforcement or government official has changed since the time of application, please have the current law enforcement executive or government executive for your agency create an account through the "Account Access" link, log in, and sign the award document once your agency contacts have been updated online. Once you have reviewed your award document, please electronically sign it and make a copy of all pages of the document for your records, along with all award condition pages, within 90 days of the date shown on the award congratulatory letter.

The award start date indicated on the award document means that your agency may be reimbursed for any allowable costs incurred on or after this date. The duration of your AHTF grant award is two years (24 months).

Your grant number is in the following format: 2015-AMWX-0000 for grants awarded in Fiscal Year (FY) 2015. The COPS Office tracks grant information based upon this number. Therefore, it is important to have your agency's grant number (or your agency's ORI number) readily available when corresponding with the COPS Office.

Your originating agency identifier (ORI) number begins with your state abbreviation followed by five numbers or letters (e.g., VA00000). This number is assigned by the Federal Bureau of Investigation (FBI) for use in tracking information for the Uniform Crime Report (UCR). The COPS Office tracks programmatic grant information based upon this ORI number. If your agency does not have an ORI number assigned by the FBI, the COPS Office assigns a non-official ORI code to use as an agency identifier (in such cases, the last two characters will be "ZZ"). If you have any questions regarding your grant, please refer to your grant number or your agency's ORI number when you contact the COPS Office.

Your Office of Justice Programs (OJP) vendor number, in most circumstances, is your agency's nine- or thirteen-digit federal tax identification number assigned to you by the Internal Revenue Service (IRS). If your OJP vendor number differs from your tax identification number, the OJP vendor number is only to be used for administrative purposes in connection with this grant program, and should not be used for IRS purposes.

Kenosha County
Administrative Proposal Form

1. Proposal Overview

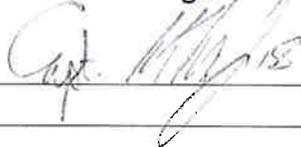

Division: Law Enforcement Department: SHERIFF

Proposal Summary (attach explanation and required documents):

Resolution to accept up to \$15,000 grant from WI Department of Justice intended to reimburse the Sheriff's Dept for overtime hours worked on investigations focusing on trafficking opiates and heroin.

Racine Co. Sheriff's Department is the fiscal agent of this grant program totaling \$75,000 which is allocated among the five Drug Task Force teams in southeast Wisconsin.

Kenosha Co Sheriff's Dept. will utilize the funds to reimburse for overtime wages incurred by the detectives assigned to the Sheriff's Drug Task Force.

RE: KENOSHA COUNTY SURVEYOR

TO THE HONORABLE KENOSHA COUNTY BOARD OF SUPERVISORS:

Placing special trust in his judgment and based upon his qualifications, I hereby submit to the honorable Kenosha County Board of Supervisors for its review and approval the name of

Mr. Robert W. Merry, PLS
Chief Surveyor
Southeastern Wisconsin Regional Planning Commission
W239 N1812 Rockwood Drive
P.O. Box 1607
Waukesha, WI 53187-1607

to assume the duties of the Kenosha County Surveyor. Mr. Merry is a registered land surveyor and presently serves as the Chief Surveyor for the Southeastern Wisconsin Regional Planning Commission. He will be responsible for overseeing the work activities associated with the County Surveyor function in Kenosha County. Kenosha County has contracted with the Southeastern Wisconsin Regional Planning Commission (SEWRPC) for County Surveying services since 2006. Mr. Merry will continue serving until a successor is appointed by the County Executive and confirmed by the Kenosha County Board of Supervisors, or SEWRPC no longer performs the County surveying function under a professional services contract.

Mr. Merry will be paid by SEWRPC as part of the professional services contract.

Mr. Merry will be succeeding Dr. Kurt W. Bauer, who is retiring.

Respectfully submitted this 14th day of January, 2016.

Serve Kenosha County as Deputy County Surveyor. Sworn in as Deputy County Surveyor on the 3rd day of December, 2014 and working under Dr. Kurt Bauer, Executive Director Emeritus and Kenosha County Surveyor.

Special Interests

Served on The Ohio State University Surveying and Mapping Industry Advisory Board from October 2001 to April 2010. Reason for leaving was due to the University discontinuing the Bachelor of Science in Surveying program.

Governmental Services

Serve as County Surveyor or Deputy County Surveyor in Kenosha, Milwaukee, Ozaukee, Walworth, and Waukesha Counties.

Additional Information

Licensed as a Professional Land Surveyor in both Michigan and Wisconsin and have conducted surveys in 46 of the 50 U.S. States along with 2 U.S. Territories (Puerto Rico and Guam) and 2 foreign countries (Canada and Jamaica). Managed, analyzed, and reported data collected for: Wisconsin Height Modernization Projects, using precise leveling techniques; countywide High Accurate Reference Network (HARN) densification projects, using GPS static observations; Public Land Survey System (PLSS) Section Corner projects, using GPS "rapid static", conventional, and digital leveling techniques; Lock and Dam Deformation Studies, using conventional and digital leveling techniques.

Extensive knowledge of LiDAR technologies. Involved with LiDAR technologies since 2003 and currently assisting counties with their quality assurance and overall evaluation and use of acquired LiDAR point data. Also, developing strategic initiatives with the supplemental uses of existing LiDAR such as change detection analysis and building footprint algorithms.

GL-10-16

NOTICE OF CLAIM AND CLAIM FOR DAMAGES Pursuant to Wisconsin Statute Section 893.80(1d)(b)

This Notice must be served upon the appropriate clerk or the person who performs the duties of a clerk or secretary for the local governmental body. Either attach the previously served Notice of Injury or Circumstances to this Notice or provide the additional information which would have been provided in the Notice of Injury or Circumstances form.

Claimant Name(s): Jaime Sue Boring (Rightmire)

Claimant Address: 21425 A Spring St. Union Grove, WI

Claimant Phone Number: Robert E. Ellsworth Correctional Center

Provide an Itemized Statement of the Claim or Relief Sought, including proof of the amount of the claim by means of receipts or itemized estimates, and a specific dollar amount for settlement or alternative relief sought (use additional sheets if necessary):

I was incarcerated at Kenosha County detention center from May 23rd thru July 24th 2015 I had made the detention center, as well as the County Jail in Kenosha aware that I had very severe allergies to latex, ginger, + compazine. It was noted in my file. While at the detention center I was supposed to be served a "special meal tray" that should never contain Ginger or all spice + on the day mentioned, they served me my tray + it contained a piece of cake that had been made with all spice, which contains ginger, I asked the guard to check with the kitchen cooks to make sure that it was okay for me to eat + didn't have ginger since it was on my tray, and she was rude + said for me to go ahead + eat it that it wasn't made with ginger. I took a small bite and within a minute I was going into anaphalatic shock and my tongue, throat, + lips swelled + turned blue + I was having

Cont. from original form

2-16-16

A very hard time breathing. I went to the guard in the lunch room c.o. Lola Frizel & told her, and she said I would have to wait for the other guard to return & that took several minutes. The other inmates were there & seen what was happening & then the guard came and took me down to the nurse & told me I was "cutting into her lunch hour" & was upset.

When I got to the nurse, they seen I was having a bad allergic reaction & gave me 200 mg of benedryl & predisone, which did not help & the nurse then called the doctor & he said to call the ambulance & have me rushed to the hospital, & she ~~called~~ ^{did} that, and also tried to administer an epi pen & didn't know what she was doing, so I had to do it myself. She then gave me more benedryl & predisone & when the ambulance came they gave me even more benedryl & predisone & another shot of an epi pen & when I got to St. Catherine's hospital in Kenosha they gave me more predisone, benedryl, and another drug & I couldn't function after that. After a few hours I was sent back to the detention center & was not able to function & the next day I woke up bleeding bad & realized I had a miscarriage from all the medication I was given. The officers name that was dealing with this issue was Mrs. ~~Lola Frizel~~ ^{Zola Davis}

I believe ~~Swanson~~ might be the last name and the other one I don't remember. Might have been Mrs. Swanson, but all the female inmates were there to witness this act.

I tried to file this claim earlier, but no one until now would be of service to me. I believe I was treated unfair + unhumane. When I had the miscarriage all they said was to take some tylenol.

That is not right. I almost died and lost a baby through all of this. The hospital + detention center should have record of this. The date of incident was around July 18th. The 3rd shift officer, Mrs. Hook was also made aware of what happened as she can verify these events, as well as my lawyer at the time Matthew ~~Perz~~ ^{Perz}. I have contacted attorney Sanson, who told me what I need to do + file this claim.

I believe that this should be recognized, the C.O.'s should be reprimanded and compensation should be made.

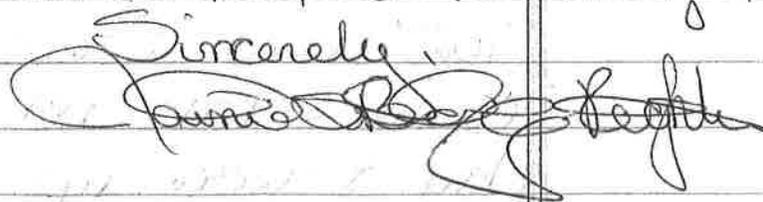

I will be asking for a minimum of \$50,000 for damages, loss of child, + mistreatment.

The other officer mentioned is

Mrs. Shelton. There was a girl

named Tiffany Arsanault that witnessed this up close as she was sitting next to me. (P.B.)

This notice states the same information, as was sent on the Notice of Injury or Circumstance to Kenosha Detention Center

Sincerely,

GL-11-16
