CITIZEN COMMENTS

Bob Reidl, 801 N School St., stated he was here to urge the boards support for Edna Highland who has been nominated to serve on the Brookside Board of Trustees. Edna has a proven and very successful track record in public service with her many years as County Clerk. Her commitment to the people of Kenosha County is well documented and her commitment will continue at Brookside with the board's confirmation of her appointment. She deserves the boards support.

ANNOUNCEMENT OF THE CHAIRMAN

Chairman Clark announced the Wisconsin County Association is having their district meeting for Southeastern Wisconsin on April 29th in Germantown. If interested, please let the next County Board Chairman know. If the next County Board Chairman is not able to attend, he will need to designate a delegate to vote for Kenosha County.

SUPERVISOR REPORTS

Supervisor Kessler stated he is leaving the board very proud of being a part of what has been accomplished in his 29 years serving as a county board supervisor. From the finishing touches and dedication of the "new" public safety building back in 1981 to its current addition presently under construction. From the County Administrator form of government to the County Executive form of government. Supervisor Kessler served as Chairman of the County Board from 2002-2004. He served on every committee other than the Land Use Committee and held various leadership positions on these committees.

As he attends his last meeting as an Elected County Supervisor and "The Dean of the Board", there are a few groups of people he wanted to recognize. He thanked all his colleagues who served on the County Board all these years. He thanked his family for all the support they gave him over the years and for allowing him the time away to participate in the various community involvements. He looks forward to some time to be home with his family. Finally, he thanked the constituents of the 4th District that he represented for 29 years, as he would not have been here this long without their trust.

Although he is leaving the board, he will be watching the progress and he is certain the board will be challenged with the road ahead, but he is confident he is leaving the board in great hands.

Supervisor Breunig stated she sent an e-mail to all of the Youth In Governance participants asking them for recommendations of their outstanding mentors that they've had over the past two years. She wanted to recognize Supervisors Zerban, Roger Johnson, Noble, Jeffrey Gentz, O'Day, Molinaro, Huff and Michel who has gone above and beyond what was expected of them as mentors.

Supervisor Modory stated he attended a press conference held by County Executive Kreuser, Parks Director Jon Rudie, Jennie Tunkieicz and himself at the Kenosha Animal Hospital where Dr. William Carlisle presented the county a check for \$12,500 to go towards the naming rights of the off leash dog park at Petrifying Springs. Along with the \$12,500 donation received from Mary Ellen Close to name the Randall park, Terry Wolfe who was the wife of the late Dr. Wolfe from the Wolfe Merrick Animal Hospital will be donating patio bricks for the entrance way at Petrifying Springs dog park which people will be able to purchase to

add memorial bricks around the entryway. He is proud to say they have far exceeded the \$25,000 goal to match the county's \$25,000 and have a balance of \$41,055.07 to build these off leash dog parks which should be built by the end of May. He hopes to see everyone there at the leash cutting ceremonies.

Supervisor Huff stated the Legislative Committee and the Board sent a letter to our State Legislators regarding the payday loan industry in which there were specific recommendations for interest to be charged. In a Kenosha News article it stated that the payday loan industry will be regulated for the first time in Wisconsin under a Bill that passed the State Senate. However there will still be no limit on the interest that can be charged on the loans primarily given to the working poor. Advocates for the poor are pushing for a 36% annual percentage rate.

This being Supervisor Huff's last meeting, he wanted to thank Supervisor Ron Johnson who was then Chairman Johnson who appointed him to the position of County Board Supervisor almost 12 years ago. He also thanked the people of the 5th District who continually elected him 5 consecutive terms.

Supervisor Noble requested that the new Chairman of the County Board have the architect come to one of the meetings in May and make a presentation to the entire board so the new supervisors are up to speed on the maintenance and rehabilitation that's going to be required in the downtown campus.

At this time, Chairman Clark presented the outgoing supervisors plaques in honor of their service to Kenosha County.

ORDINANCE 32

From the Legislative, Finance and Administrative Committees an Ordinance to Create Ch. 19 of the Municipal code of Kenosha County entitled "Ethics code for Kenosha County board Supervisors.

CHAPTER 19 - ETHICS CODE FOR KENOSHA COUNTY BOARD SUPERVISORS

19.01-1 TITLE

This code shall be known as, referred to, or cited as the Kenosha County Code of Ethics for County Board Supervisors.

19.02-1 DECLARATION OF POLICY

The proper operation of democratic government requires that elected County Board Supervisors be independent, impartial and responsible to the people; that government decisions and policies be made in proper channels of the government structure; that public elected office not be used for improper personal gain; and that the public have confidence in the integrity of its government. The County Board believes that a code of ethics for the guidance of County Board Supervisors will help them avoid conflicts which are substantial and material between their personal interests and their public responsibilities. In recognition of these goals, there is hereby established a Code of Ethics for Kenosha County Board Supervisors. Nothing herein contained is intended to deny to any individual, rights granted by the United States Constitution, the Constitution of the State of Wisconsin, the laws of the State of Wisconsin.

19.03-1 RESPONSIBILITY OF PUBLIC OFFICE

Elected County Board Supervisors are agents of public purpose and hold office for the benefit of the public. They are bound to uphold the Constitution of the United States and the Constitution of the State of Wisconsin and to carry out impartially the laws of the nation, state and county, and to observe in their official acts the highest standards of ethics and to discharge faithfully the duties of their office regardless of personal considerations, recognizing that the public interest must be their primary concern. Their conduct in their official actions is to be above reproach so as to foster respect for all government.

All future County Board Supervisors and candidates for such office shall be given notice of the fact that they will be subject to the provisions of this Code of Ethics as well as any financial disclosure requirements that they will be subject to and the need to reveal any potential or actual conflict of interests.

19.04-1 STANDARDS OF CONDUCT

(1) Public Trust. The county board hereby reaffirms that each Supervisor holds his or her position as a public trust, and any effort to realize an improper personal gain through official conduct is a violation of that trust. Except as may be provided for herein, this section does not prevent any Kenosha County Board Supervisor from accepting other employment or following any pursuit which in no way interferes with the faithful discharge

of his or her duties to this county. The county board further recognizes that in a representative democracy, the representatives are drawn from society and, therefore, cannot and should not be without all personal and economic interest in the decisions and policies of government; that citizens who serve as elected County Supervisors retain their rights as citizens to interests of a personal or economic nature; that standards of ethical conduct for elected County Board Supervisors need to distinguish between those minor and inconsequential conflicts that are unavoidable in a free society, and those conflicts which are substantial and material; and that elected County Board Supervisors may need to engage in employment, professional or business activities, other than their official duties, in order to support themselves or their families and to maintain a continuity of professional or business activity, or may need to maintain investments, which activities or investments do not conflict with the specific provisions of this section.

(2) Use of Public Property. No Kenosha County Board Supervisor shall request or permit the use of county services or manpower or of county-owned vehicles, equipment, materials or property for non-official purposes or personal profit unless in accordance with County policy.

Nothing contained herein shall be construed to be a violation of this Code if the information communicated is in the public interest as determined by a test balancing the right of the public to know versus the right of individual or governmental privacy, not the subject of pending litigation and relates to a violation of law, mismanagement of County funds, or neglect of duty.

(b) Reserved for future use.

(c) Representing Private Interests Before County Agencies or Courts. No County Board Supervisor shall represent as a paid advocate any private interests adverse to Kenosha County, other than for himself, his spouse or his children, before any county agency or department; nor, except as hereinafter provided, shall any County Board Supervisor who is admitted to practice law in the State of Wisconsin represent as an advocate any private interests other than for himself, his spouse or children, in any proceeding adverse to the county in any county court without prior County authorization. In situations where guidance is sought on prospective conduct and the official making the request supervises the Corporation Counsel or is authorized to vote on the annual budget of the Corporation Counsel's Office, the Corporation Counsel may issue an advisory opinion or refer the matter to either the Attorney General, the State Ethics Board, the Kenosha District Attorney or outside counsel. In situations where an opinion is sought pertaining to some act or omission that has already occurred, the Corporation Counsel shall refer the request to outside counsel.

(3) A material conflict of interest on the part of a County Board Supervisor is deemed to exist within the meaning of this section in regard to a matter in which he or she is involved, or is about to be involved, in the discharge of his or her official duties, whenever the County Board Supervisor utilizes and exploits his or her official capacity in such a way as to obtain a personal financial benefit for himself or herself or his or her immediate family or an organization with which he or she is associated.

(b) Notwithstanding any provisions of this code, reasonable compensation for any such activity or for any published work or creation of any product or matter qualifying as intellectual property and reimbursement of actual and necessary expenses incurred in connection therewith may be accepted by a County Board Supervisor, but if such activity, product or published work or intellectual property that is created is accomplished by an official or employee with the use of county time or of its facilities, services or supplies not generally available to all citizens of this county in the course of his or her official duties, the County Board Supervisor may not retain such compensation or reimbursement of expenses but shall deposit it with the County Treasurer and the activity, product, published work or intellectual property created shall be deemed to be the property of Kenosha County and any copyright, trademark or patent obtained by such individual shall be transferred without compensation to Kenosha County.

ORDINANCE 33

33. From the Administrative, Finance and Legislative Committees an Ordinance to Create Chapter 20 of the Municipal Code of Kenosha County Entitled "Code of Ethics for Officials and Employees."

The Kenosha County Board of Supervisors does hereby ordain that Chapter 20 of the Municipal Code of Kenosha County be, and hereby is, created to read as follows:

CHAPTER 20 - ETHICS CODE FOR OFFICIALS AND EMPLOYEES

20.01-1 TITLE

This code shall be known as, referred to, or cited as the Kenosha County Code of Ethics for Officials and Employees.

20.02-1 DECLARATION OF POLICY

The proper operation of democratic government requires that public officials and employees be independent, impartial and responsible to the people; that government decisions and policies be made in proper channels of the government structure; that public office and employment not be used for improper personal gain; and that the public have confidence in the integrity of its government. The County Board believes that a code of ethics for the guidance of County officials and employees will help them avoid conflicts which are substantial and material between their personal interests and their public responsibilities. In recognition of these goals, there is hereby established a Code of Ethics for Kenosha County officials and employees. Except as hereinafter provided it is intended that this code shall apply to all persons whose functions require the exercise of discretion and judgment including all County government officials elected by ballot in Kenosha County and members of

boards and commissions or committees which are considered part of Kenosha County government. Specifically exempt from the provisions of this ordinance are the Kenosha County Board of Supervisors and the following State employees who are governed by separate codes of ethics: Circuit Court Judges, the District Attorney and Assistant District Attorneys. Nothing herein contained is intended to deny to any individual, rights granted by the United States Constitution, the Constitution of the State of Wisconsin, the laws of the State of Wisconsin.

20.03-1 RESPONSIBILITY OF PUBLIC OFFICE

Public officials and employees are agents of public purpose and hold office for the benefit of the public. They are bound to uphold the Constitution of the United States and the Constitution of the State of Wisconsin and to carry out impartially the laws of the nation, state and county, and to observe in their official acts the highest standards of ethics and to discharge faithfully the duties of their office regardless of personal considerations, recognizing that the public interest must be their primary concern. Their conduct in their official actions is to be above reproach so as to foster respect for all government.

All current employees and job applicants and any individual applying for membership on a County board or commission shall be given notice of the fact that they will be subject to the provisions of this Code of Ethics, any financial disclosure requirements that they will be subject to and the need to reveal any potential or actual conflict of interests.

20.04-1 STANDARDS OF CONDUCT

(1) Public Trust. The county board hereby reaffirms that a county public official or employee holds his or her position as a public trust, and any effort to realize an improper personal gain through official conduct is a violation of that trust. Except as may be provided for herein, this section does not prevent any county public employee or official from accepting other employment or following any pursuit which in no way interferes with the faithful discharge of his or her duties to this county. The county board further recognizes that in a representative democracy, the representatives are drawn from society and, therefore, cannot and should not be without all personal and economic interest in the decisions and policies of government; that citizens who serve as county public officials employees retain their rights as citizens to interests of a personal or economic nature; that standards of ethical conduct for county public officials and employees need to distinguish between those minor and inconsequential conflicts that are unavoidable in a free society, and those conflicts which are substantial and material; and that county public officials and employees may need to engage in employment, professional or business activities, other than official duties, in order to support themselves or their families and to maintain a continuity of professional or business activity, or may need to maintain investments, which activities or investments do not conflict with the specific provisions of this section.

(2) Use of Public Property. No official or employee shall request or permit the use of county services or manpower or of county-owned vehicles, equipment, materials or property for non-official purposes or personal profit unless authorized or unless in accordance with County policy.

(3) Obligations to Citizens. All persons shall be treated fairly and impartially and without discrimination in accordance with the federal and state constitution and laws. In exercising a ministerial duty, no official or employee shall grant any special consideration, treatment, or advantage for themselves or any citizen beyond that which is available to every other citizen. Nor shall any official or employee hinder or obstruct the efforts of any citizen to acquire or exercise rights duly afforded him or her.

(4) Special Conflicts and Standards of Conduct Enumerated. Conflicts of interest prohibited under this section and expected standards of conduct by

county employees and officials include:

(a) Incompatible Employment. No official or employee shall engage in or accept private employment or render services for compensation for a private interest when such employment or service is consistently incompatible with the proper discharge of official duties or would impair the independence or judgment or action in the performance of official duties or would lessen the time to perform such duties. Disclosure of all outside employment must be made to an immediate supervisor regarding the nature and extent of the outside employment prior to accepting such employment. Where employment is not consistently or inherently incompatible, the employee must avoid all county involvement in any matter where a conflict or appearance of a conflict or impropriety may arise.

(b) Disclosure of Confidential Information. No County Board Supervisor shall, without proper legal authorization from the County Board or pursuant to a Court order or Court-approved subpoena, disclose legally confidential information as defined in this ordinance gathered in the course of his or her duties concerning the affairs of the county or of a citizen, nor shall he or she use such information to advance the financial or personal interest of himself or others. Nothing contained herein shall be construed to be a violation of this Code if the information communicated is in the public interest as determined by a test balancing the right of the public to know versus the right of individual or governmental privacy, not the subject of pending litigation and relates to a violation of law, mismanagement of County funds, or neglect of duty.

(c) Representing Private Interests Before County Agencies or Courts. No official or employee shall represent as an advocate any private interests, other than himself, his spouse or his children, before any county agency or department; nor shall, except as hereinafter provided, any official or employee who is admitted to practice law in the State of Wisconsin represent as an advocate any private interests other than himself, his spouse or children, in any proceeding adverse to the county in any county court without prior County authorization.

(d) Gifts, Favors, Raffles and Door Prizes. No person or organization may offer or give to a county public official or employee, directly or indirectly, and no county public official or employee may solicit or accept from any person or organization, directly or indirectly, anything of value as herein defined if it could reasonably be expected to influence such county public official's or employee's official actions or judgment, or could reasonably be considered as a reward for any official action or inaction on the part of such county public official or employee. Non-monetary gratuities, such as but not limited to food or flowers given by members of the public at holidays or on special occasions may not exceed \$25 in total value annually [or as this amount may be amended from time to time by the Internal Revenue Service] and may be accepted only when made available to an entire department and not an individual official or employee. This provision does not apply to monetary donations to Kenosha County which are accepted by the County Board or donations to Brookside Care Center or its "Sunshine Fund" which are accepted by either the County Board or the Brookside Trustees.

Officials and employees attending an event at the expense of the County must reimburse the County the value of any raffle or door prize obtained at that particular event unless its value is diminimus or unless it is donated to or used solely for County purposes.

(e) Insider Advantage. No county public official or employee may intentionally use or disclose information gained in the course of or by reason of his or her official position or activities in any way that could result in the receipt of anything of value for himself or herself, for his or her immediate family, or for any other person or organization, if the information has not been communicated to the public or is not public information.

(f) Reserved for Future Use

(g) Contracting. (Personal Gain). Except as otherwise provided by section 946.13 of the Wisconsin Statutes, no official or employee shall, in his private capacity, negotiate or bid for or enter into a contract in which he has a private pecuniary interest, direct or indirect, if at the time he is authorized or required by law to participate in his capacity as such officer or employee in the making of that contract or to perform in regard to that contract some official function requiring the exercise of discretion on his part, nor shall any official or employee, in his official capacity, participate in the making of a contract in which he has a private pecuniary interest, direct or indirect, or perform in regard to that contract some function requiring the exercise of discretion on his part. A violation of section 946.13 of the Wisconsin Statutes, shall also constitute a violation of this code.

A County official or employee or a member of the official's or employee's immediate family, as defined in this ordinance, may not contract with the County.

(h) Consulting. Except as otherwise may be expected as part of an official's or employee's job description and in the normal course of employment by Kenosha County, no official or employee is to serve as a consultant to or, except as hereinafter provided, serve as a member of the Board of Directors of any entity or corporation doing business either as a contractor or sub-contractor or otherwise with, or seeking to do business with, Kenosha County, subject to exemptions in the Wisconsin State Statutes. This provision shall not apply to officials or employees serving on a Board of Directors where such service has been required and approved by the County Executive or County Board or in cases where the Corporation Counsel's Office has reviewed such membership and found no conflict of interest.

(i) Business Associates and Clientele. No county official or employee shall render service to or make any decision concerning or involving any former, present or known future business associate or client without first revealing in writing to his or her immediate superior the nature and the extent of the relationship. This provision, however, shall not be applied in the case of a legally recognized privilege, such as in the case of an attorney-client or doctor-patient relationship.

(j) Issuance of Permits. No county official or employee empowered to issue a discretionary permit under either the state or local laws or regulations shall issue any such permit to himself or herself or to any member of that individual's immediate family without first revealing in writing the request for such permit to that individual's immediate superior who shall then assign another official or employee to process such permit.

Time cards for non-represented or exempt employees, however, shall be submitted in compliance with Federal FLSA guidelines.

(n) Misuse or Misappropriation of County Property or Funds. No county official or employee shall misuse or misappropriate any county funds or property including, but not limited to, the use of County copiers, computers, or cell or land-based phones for personal use on County time. The County

maintains the right to access, monitor and review the use of such equipment and recognizes no claim of confidentiality regarding the use of such County equipment. No County property, facility or personnel on County time may be used to repair or maintain an official's or employee's personal property.

(o) Notification of Conflicts. No county official or employee shall willfully fail to disclose to his or her immediate superior any conflict of interest involving another county employee or official.

(p) Nepotism. No county official or employee shall be the direct supervisor of any relative or in-law relative or member of the official's or employee's immediate family as defined herein. Where a supervisory relationship is created while two such related officials or employees are employed in the same department or division, the County shall make every effort to transfer one of the officials or employees as soon as practical.
