When most people think about a law enforcement agency they probably think about getting pulled over for a traffic violation. While traffic enforcement is an important aspect of what we do, anyone at the Kenosha County Sheriff's Department can tell you that traffic enforcement is only one aspect of what goes on here.

Our deputies, of course, conduct traffic stops, but they are also responding to a vast range of calls, assisting our citizens in every day issues through life's twists and turns. Our deputies are responding to neighbor problems, burglaries, robberies, fights, family problems, car crashes, child abuse complaints, etc. Those are just our patrol deputies. We also have deputies who transport inmates around the county and state and to court. Deputies serve civil process (evictions, repositions, subpoenas), have positions in the county high schools (school resource officers), and teach safety to younger students (Drug Abuse Resistance Education, Deputy Friendly).

Our deputies are also involved in specialty teams which require extra time and commitment. Some of those teams are the Tactical Response Team, Dive Team, ATV Unit, Bicycle Unit, Honor Guard, Sheriff's Bomb Squad & Marine Unit.

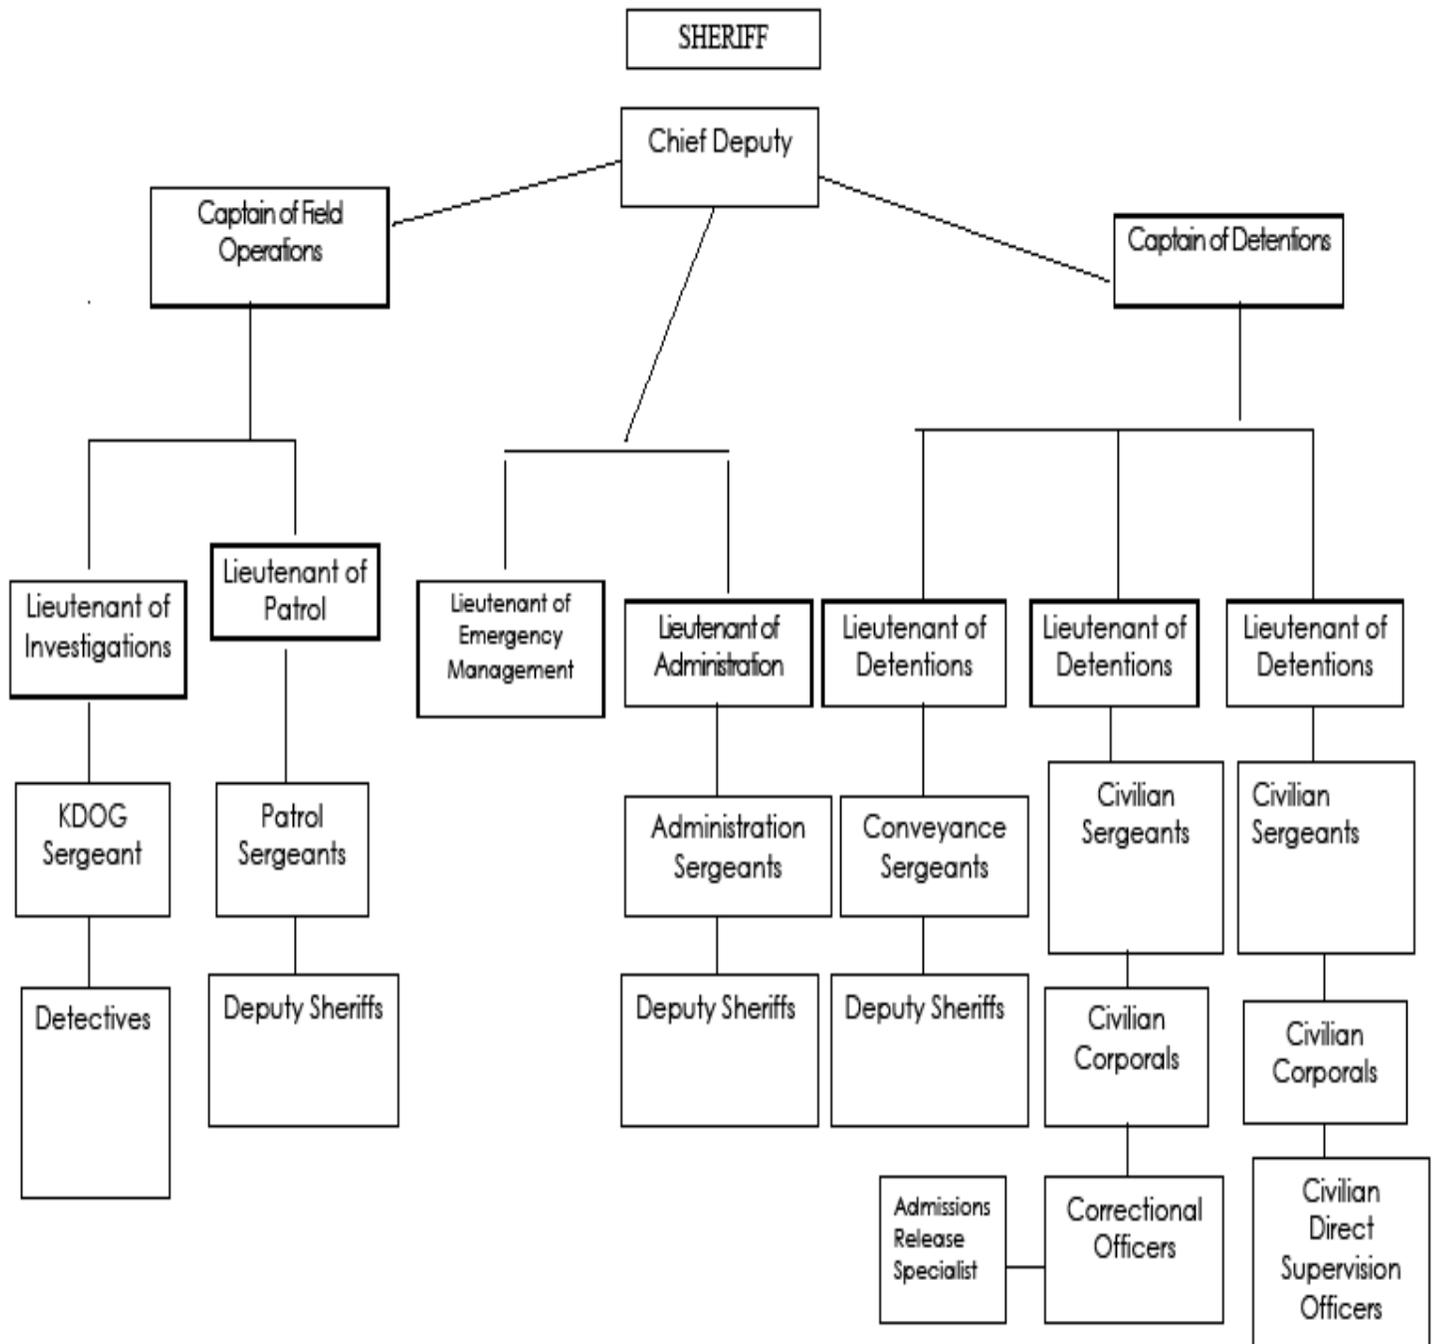

That is a really brief description of our sworn staff's functions. Two-thirds of the Sheriff's Department's budget is in the corrections area. Corrections is also two-thirds of our staff. Our corrections staff is responsible for maintaining the records, security and health of over 850 inmates in our two jail facilities. Kenosha County has the third largest jail in the State of Wisconsin. The men and women who work in the Sheriff's Department Corrections area make it possible to not only house those sentenced in Kenosha Courts, but generate revenue by housing federal inmates. The hard work of these men and women made it possible for the Kenosha Sheriff's Department to generate approximately \$7 million dollars in 2010. Much of that money went to operating cost for the Sheriff's Department. About \$1 million was returned to the general fund for other operating costs for Kenosha County. All \$7 million offset the taxes paid by Kenosha County residents.

Contained in this report are more details of the things the employees of the Kenosha County Sheriff's Department accomplish every day, things that are far beyond issuing a traffic citation. Hopefully, a traffic stop is the only encounter citizens will have with most of our staff. I am proud of those who work at this department and proud of the service they deliver to Kenosha Counties' citizens.

Sincerely,
David G. Beth

Detentions Programs

WORK CREW PROGRAM

Primary Purpose of The Community Service Work Crew Program is to alleviate overcrowding in the County Jail, while at the same time, serving the community.

To have a successful program there has to be 100% cooperation with: Circuit Court Judges, District Attorney's office, Clerk of Courts, Municipality Courts and Jail staff. The program also relies upon Non-Profit locations with supervisors and 2 Deputy Sheriff's to enforce the program rules.

There are four (4) types of people who participate on the work crew program.

- 1 - Huber inmates who are unemployed.
- 2 - Non- Huber sentenced inmates (Used only inside for inmate workers)
- 3 - People who are unable to pay a fine. (Person convicted of a forfeiture in which they were given time to pay a fine by the courts and the alternative would be serving County Jail time.)
- 4 - Probation referrals.

The individuals that are assigned to outside non-profit organizations are given the opportunity to work at no cost to the community while working towards repaying the debt accessed by the courts. The current jail days/work days ratio used by the courts is Ten (10) days in the county Jail would be Five (5) days served on the work crew.

From January 01, 2011 through December 2011 the program has provided the following savings to Kenosha County for the housing of inmates.

Total Days Huber Inmates Worked on W/C	10,243
Total Jail Days Saved for Huber Inmates on W/C	3,803
Total Days Individuals Worked on W/C from Home	3,223

2011 Community Involvement

The Kenosha Sheriff's Department is actively involved in the Community. Each year we fulfill many requests for deputies to participate in public events. Sheriff David Beth also awards citizens and businesses for outstanding acts of service and Boy Scouts for achieving the rank of Eagle Scout.

One of the organizations the Sheriff's Department is very actively involved in is the **Frank Neighborhood Project**.

The KSD family does clothing and hygiene drives for the students of Frank School which is located a few blocks from the Public Safety Building. In 2011, the Sheriff's Department also did a school uniform drive to provide uniforms to students who did not have one.

Sheriff David Beth, Sgt. Bill Beth, and Dep. Ray Rowe currently sit on the Board of Directors for the Frank Neighborhood Project.

Other ways The Sheriff's Department is involved in the Kenosha Community is by providing Drug and Alcohol Resistance Education to 5th graders throughout the county in the expansion of the **D.A.R.E Program**. Dep. David Wright brought DARE into Frank and Wilson Elementary Schools, as well as, Christian Life Academy.

KSD also cooperates in sponsorship of **The Post Prom Party**.

In 2011, this event hosted 200 students from Westosha Central High School, Bradford, Lakeside, and other area High Schools on two separate nights at the YMCA after prom in order to give students a safe alternative to drugs and alcohol.

On November 17,

Corrections Sergeant Doug Simpson, and Direct Supervision Officers Jay Deboer and Jamie Smith Participated in the **Milwaukee Cystic Fibrosis Foundation's "Climb for a Cure"** at the US Bank Building in Milwaukee.

This consisted of climbing 47 floors in a competition against corporate groups, Fire Departments and Law Enforcement Agencies from the area. The climb was completed while wearing full duty equipment and Correctional Emergency Response Team Protective Gear.

- This team of men took first place in the Law Enforcement Category
- DSO Deboer took home the first place trophy for the fastest Law Enforcement time.

Congratulations, and thank you for raising money and bringing awareness of Cystic Fibrosis to our community.

The Sheriff's Citizens' Academy

The Kenosha County Sheriff's Citizen Academy is a 9-week program designed to give participants a firsthand look at the Kenosha County Sheriff's Department operations and allow them the opportunity to experience law enforcement from a Deputy Sheriff's standpoint. The Sheriff's Department also utilizes many volunteers. Volunteers help with filing and other limited office tasks for some of the management staff, as well as, helping in the library and enrichment classes in the Jail.

We really appreciate our volunteers! They fill in doing some of the work that doesn't have to be done, but we really like to be done.

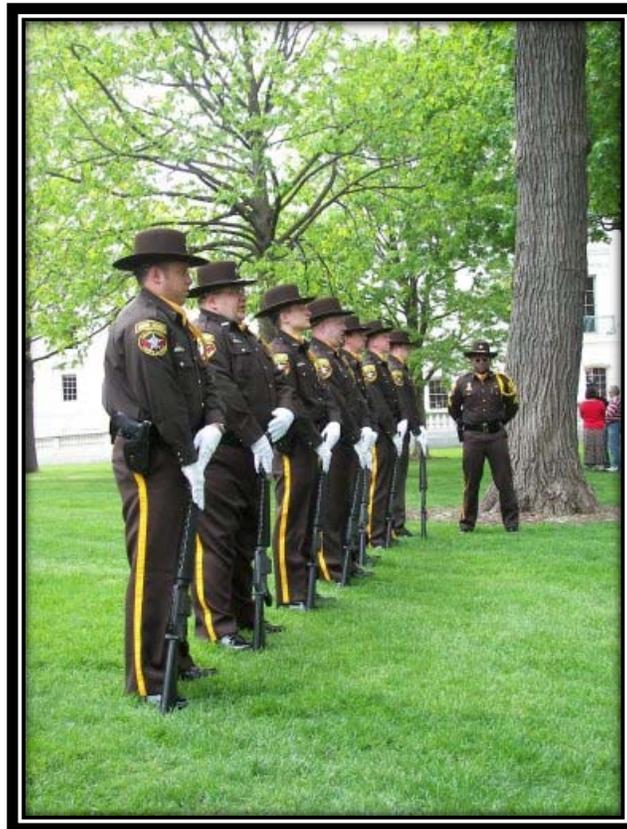

For more information, call Sgt. Bill Beth at (262) 605-5133.

Honor Guard

The Kenosha County Sheriff's Department takes great pride in our community, our department, and our deputies. Regularly The Sheriff's Department is called on to have representation at various events. The Kenosha County Sheriff's Honor Guard represents the department at events such as; Local Parades, The Law Enforcement Memorial Ceremony, and other ceremonies. The Honor Guard also attends funerals for fallen officers throughout The State of Wisconsin, as well as funerals for employees and retirees of The Sheriff's Department.

In 2011, The Kenosha County Sheriff's Honor Guard attended 11 different events, ceremonies and funerals.

The Sheriff's Honor Guard also took a major role in the local funeral for fallen Fond du Lac Police Officer Craig Birkholz.

2011 Major Events Summary

Every year the Kenosha Sheriff's Department responds to many major events. Certainly, on a weekly basis there are events we deal with that alter the lives of our citizens. 2011 was no different.

Some of the more noteworthy events we were involved in were:

- **The Budget Crisis at the State Capitol:** The Kenosha Sheriff's Department answered the call for assistance to provide security at the State Capitol. Numerous deputies worked 18 hour days to provide security at the state capitol during protests over a period of weeks. KSD provided over 1900 hours of security at the State Capitol.

- **Blizzard of 2011:** On February 1st, 2011 the Kenosha area received about two (2) feet of snow. Many services were paralyzed. Deputies and Jail staff went to extraordinary measures to manage the crisis. Jail staff worked long shifts in order to provide care for the inmates. Fresh staff could not get to the jail and working staff could not get home. Some Deputies utilized their own 4-wheel drive vehicles to help citizens who had been stranded. Other deputies walked to work in the blizzard in order to be of service to the community. Overall, an extraordinary effort was made by the employees of KSD to get through this "100 year" storm.

- **Double Motorcycle Fatal:** A double motorcycle fatal crash claimed the lives of two local teachers on 10-10-11. David and Kristin Novaez were killed when a vehicle pulled out in front of their motorcycle as they traveled on CTH P at 396th Ave. Both were local teachers. News of their deaths especially shook a large portion of our community.

2011 Civil Process Summary

Wisconsin State Statute 59.27(4) requires the sheriff of a county to

“...serve or execute all processes, writs, precepts and orders... delivered to the sheriff.”

In short, this means that The Kenosha Sheriff's Department serves subpoenas, custody papers, evictions, foreclosures and multiple other court papers. Involved in that is repossessing property and moving people and their possessions out of premises where they have been evicted.

In 2011, the Civil Process deputies and Clerks were responsible for the following:

2011 Patrol Division Summary

The Patrol Division for the Kenosha County Sheriff's Department had 48 deputy sheriffs assigned to the three shifts in 2011 which was an increase of two from the prior year due mainly to the addition of the TIU (Traffic Interdiction Unit).

- 15 assigned to 1st shift,
- 18 assigned to 2nd shift and
- 15 assigned to 3rd shift.

Those deputies responded to a total of 74,008 calls for service throughout the year with 61% being self initiated by the deputies themselves. This staffing level not only covered all six districts of the county but covered the contracted municipalities for the Villages of Bristol and Paddock Lake.

In 2011, the three patrol shifts accumulated a total of 16,565 arrests with 2nd shift leading the way with 6,664. That was an increase of 11% over 2010. A total of 11,868 traffic citations were issued to go along with 1,098 county ordinance citations. Traffic citations increased 25% due mainly to the resurrection of the TIU.

On the criminal side, 422 felony arrests (down 18% from 2010) were made in addition to 1,455 misdemeanor arrests (down 37% from 2010). There were also 1,426 arrests on warrants (down 3% from 2010).

Contract Law Enforcement Services

The Villages of Bristol and Paddock Lake contract their Law Enforcement services through the Kenosha County Sheriff's Department for protection of the village's residents and businesses. The deputies are able to patrol all sections of the villages and maintain a very high visible and crime deterrent for the community. Office operations facilities are available for deputies within their respective Village Halls.

All deputies are committed to community policing and having a positive impact with residents and businesses.

Village of Bristol Deputies have been providing contract Patrol Services for the Village since June of 2008.

In 2011, Deputies issued citation for 908 varied Traffic Violations, primarily for Speed Violations and 27 citations for Village Ordinance Violations within the village of Bristol. Criminal violations are handled through Circuit Court.

Village of Paddock Lake Deputies have been providing contract Patrol Services for the Village since 1981.

In 2011, Deputies issued citations for 451 Traffic Violations, 202 Parking Violations and 169 citations for Village Ordinance Violations within the Village of Paddock Lake. Criminal Violations are handled through Circuit Court.

Tactical Response Team

In 1980, the Kenosha County Sheriff's Department recognized the need for a specially trained unit to handle critical incidents. These critical incidents ranged from high risk warrant service, hostage situations, barricaded gunman, suicidal subjects and more. Although Kenosha County Sheriff's Department patrol personnel are highly and continuously trained, the need for specialized equipment and tactics were sometimes required to resolve a dangerous situation.

The Tactical Response Team was originally trained by the Federal Bureau of Investigation. Currently the Department utilizes numerous resources available to it at the County, State and Federal levels to train its team members in the latest techniques available. The team trains twice a month. Members are required to maintain rigid standards of expertise and proficiency. This knowledge and capability of the Tactical Response Team is augmented by the newest equipment available, which includes less than lethal munitions.

As the needs of the community change, so will the operation and structure of the Kenosha County Sheriff's Department Tactical Response Team.

TRT Summary for 2011

TRT services for 2012 continued with their normal support of narcotic search warrants and apprehension warrants for the Kenosha Police Dept and Kenosha Drug Operations Group. On 3 occasions this assistance extended to the FBI and DEA in apprehending wanted fugitives involved in a federal investigation.

In June of 2011 the FBI requested TRT to assist with a round- up of indicted gang members that resided in Kenosha. This was part of a larger operation that involved the service of 11 arrest warrants in Kenosha, Racine and Mount Pleasant.

Also in June of 2011, TRT performed similar assistance to the DEA assisting in the capture of 3 suspects wanted in connection to a federal drug investigation. TRT continues to support these investigations along with any assistance that is deemed higher risk than normal police activities are designed for.

2011 also marked the 14th year that TRT conducted the Basic SWAT Training at Gateway Technical College. This week long school continues to provide training to prospective SWAT personnel from Kenosha and surrounding area agencies. Team Trainers have also started branching out to the civilian business community with emergency response training similar to what is now being incorporated in area schools.

ATV/ Snowmobile Units

The Kenosha Sheriff Department's ATV Unit and Snowmobile Unit were created to address the many concerns, complaints, and issues related to these recreational vehicles that occur within the County of Kenosha.

ATV Unit

The department's ATV's are utilized to patrol trails and large festival sites during the summer months. These ATV's are owned by the Sheriff's Department and are transported to sites utilizing their own trailer. This year the unit recorded **142 hours** of ATV related issues within Kenosha County. These issues involve trespass complaints, illegal operation on roadways, accidents, and training classes. This year the Unit issued a total of 6 citations for ATV violations under Wisconsin State Statutes Chapter 23.

Through participation in the Wisconsin State Aid Program, the Kenosha Sheriff's Department has been reimbursed **\$5,306** for the program year 2010-2011.

Snowmobile Unit

The department's Snowmobile unit is utilized to patrol trails throughout Kenosha County. Two snowmobiles are leased to the Sheriff's Department by the Yamaha Corporation free of cost. The unit's objective is to promote trail safety, investigate snowmobile accidents, and enforce Wisconsin State Statutes (Chapter 350), governing snowmobile operation. This year the Snowmobile Unit recorded **192 hours** relating to these issues. Of the 192 hours, 50 hours involved active patrol time. This year 17 citations were issued.

Through participation in the Wisconsin State Aid Program, the Kenosha Sheriff's Department has been reimbursed **\$6,477** for program year 2010-2011.

Explorer Post

The Kenosha Sheriff's Department Explorer post currently has seven active members. The post is managed by Sgt. Tom Gilley and Deputy Tim Hackbarth. Former post member Brendan Calvert, who remained in the post until the age of 21, is now an associate advisor.

In April 2011, the post participated in a competition hosted by Muskego P.D. and attended by posts from throughout Wisconsin. The post placed second in the physical agility test.

In August 2011, post member Cory Brennan and Deputy Hackbarth attended the Explorer law enforcement academy held at Volk Field. This is a five day course that provides candidates realistic training in several areas including active shooter scenarios, domestic violence, traffic stops, court room testimony, range shooting, and a challenge obstacle course. Deputy Hackbarth was one of the training cadre. Cory Brennan went on to win the top cop award at the competition in his group.

In October 2011, the post participated in a competition hosted by Dane County Sheriff's Department. The post went on to place second in the shoot/don't shoot scenario, second place in the active alarm scenario, third place in the juvenile disturbance scenario, and third place overall. Several other teams from throughout Wisconsin participated as well.

Bomb Squad

The Bomb Squad had 4 call out/activations in the year 2011. Each call out involved explosive materials found.

- One activation was a reported I.E.D. which turned out to be a homemade device.
- Another call involved an investigation into homemade bomb making materials, which resulted in an arrest.
- The other two activities were reports of old dynamite that needed to be properly disposed of.

The Bomb Squad also was asked for assistance from several other agencies within and outside of Kenosha County. Many agencies seek information on how to deal with bomb threats and consulting on suspicious packages that could be handled over the phone and did not require a squad response.

The Bomb Squad also assisted TRT with some high risk warrant services. The Bomb Squad conducted two successful explosive breaches on the residence of the warrant service. No injuries were reported as a result of the explosive breaches.
