Mission

To develop and implement community-based strategies to improve the recognition, retention and recruitment of the long term care workforce.

What is the Kenosha County Long Term Care Workforce Alliance?

The Alliance is a coalition of public and private organizations that recognize the critical and indispensable role caregivers play in meeting the long term care needs of elderly and disabled citizens of Kenosha County.

The Alliance was established to develop and support local and state solutions for the increasing shortage of health care workers serving people who need long term care.

Kenosha County LTC Workforce Alliance Objectives

- ◆ To ensure quality long term care through a strong, loving workforce
- ◆ To raise the status of long term care workers in their workplace and the community
- ◆ To influence caring people to consider choosing a career in the long term care field
- ◆ To encourage good long term care workers to make care giving their career

The Alliance provides:

- ◆ An affiliation with individuals and organizations concerned about the issues impacting the LTC workforce
- ◆ Forums to discuss and develop initiatives to address challenges
- ◆ An opportunity for direct input on project development
- ◆ Training opportunities for supervisory and front line staff
- ◆ Worker incentives at reduced costs
- ◆ Recruitment opportunities (Alliance website, blog)
- ◆ Free monthly publications, webinars and tips for administrative and direct care staff
- ◆ Participation in:
 - ◆ An annual recognition luncheon
 - ◆ Training for managers and direct care workers
 - ◆ Legislative action (breakfast, forum, campaign)
 - ◆ Bimonthly luncheon meetings
- ◆ Up-to-date information on state and national initiatives and policies which affect the long term care workforce
