Kenosha & Racine Counties Agricultural Chemical Waste Collection

With support from the Wisconsin Department of Agriculture, and the counties of Kenosha and Racine, UW-Extension is offering a Clean Sweep collection for agricultural chemical waste from 1 to 5 p.m. Thursday, Oct. 19 at Old Settlers Park (Racine County Fairgrounds) in Union Grove.

Any Kenosha or Racine County farmer, farmland owner, nursery, orchard, or greenhouse operator may bring in up to 200 pounds of waste free of charge. There may be charges for waste quantities over 200 pounds depending on program demand and fund availability.

Pre-registration is required – please visit www.kenosha.uwex.edu/agriculture/clean-sweep/. For questions or to request registration materials, please contact Leigh Presley, Kenosha and Racine County UW-Extension at 262-857-1948, 262-767-2905 or leigh.presley@ces.uwex.edu.
