## **Brighton Dale Links and Petrifying Springs Golf Course to begin 2018 season on March 17**

The Brighton Dale Links Blue Spruce course and Petrifying Springs Golf Course will open for play on Saturday, March 17, 2018, Kenosha County Executive Jim Kreuser announced today.

The White Birch and Red Pine courses and the practice range at Brighton Dale Links will open as soon as weather and course conditions permit.

“We are extremely excited about the upcoming golf season,” Kreuser said. “We invite people to visit our excellent public courses.”

Dan Drier, PGA Professional and general manager of golf operations for Kenosha County, said there are many new player benefits in place for golf course guests to enjoy.

“With all the improvements that have been made in the last several of years to the irrigation systems, cart paths, equipment and food service areas, we are really anticipating a great season,” Drier said.

Daily fees and season passes are available with additional options including unlimited golf, twilight, senior and junior rates. For the start of the season, hours of operation for both courses will be from 10 a.m. to dusk seven days a week until further notice with the weather permitting. As the weather gets warmer, the courses will open earlier.

To open up the season at Brighton Dale Links, there will be a Spring Scramble on Saturday, April 28. This is a 4-person, 18-hole scramble with prizes valued at over \$4,200.

The cost to enter the scramble is \$60 per player. This includes greens fee, cart, dinner and big prizes, including a chance for a foursome to win 2018 Adult Season Passes.

For golfers 55 and older, there will be the Senior Scramble on Friday May, 4. This is a 4-person, 18-hole scramble that has prizes valued over \$2,600. The entrance fee is \$49 per player, which includes greens fee, cart, lunch, and big prizes including four 2018 Senior Season Passes.

Brighton Dale Links is comprised of 45 championship golf holes. The White Birch and Blue Spruce are 18-hole, par-72 layouts that measure 7,000 and 6,700 yards, respectively. The Red Pine is a 9-hole, par-36 layout of over 3,500 yards. All 45 holes at Brighton Dale offer distinctive variances featuring water, mature trees and hilly terrain along with well-manicured playing conditions.

The flagship of Kenosha County Parks, Petrifying Springs is the oldest and largest park in the system and it surrounds Petrifying Springs Golf Course. Pets was named the No. 1 Sporty Course in Wisconsin, and the No. 1 golf course by the readers of the Kenosha News for the last 5 years. Abundant trees and a rolling landscape add beauty and challenge to this delightful 18-hole, 6,000-yard golf course.
