Town of Randall

March 16, 2010

Mr. Jim Kreuser
County Executive
1010 – 56th St.
Kenosha, WI 53140

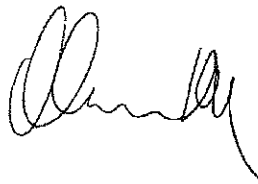

Dear County Executive Kreuser:

This letter is to show that the Town of Randall is in support of your effort on behalf of Kenosha County to secure a grant through Google for the ultra-high speed broadband network. We feel that it would be advantageous for the business community, and for the residents of the county as well.

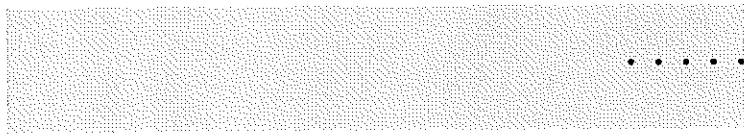

Given all the economic and educational tools that it would provide for the county, it would give the county businesses and residents access to the new technology that would otherwise not be available to them.

We hope you will be successful in securing this grant.

Sincerely,

Robert Stoll
Chairman
